

**June 04, 2024****Addendum No. 03****File Reference Number: RFP 2024 021****Title: Supply and Delivery of New Special Purpose Vehicles and Upfitting****RE: Clarifications/Questions**

---

Please refer to the following information / clarifications:

Part 3 – RFP Specifications – Schedule 3-A – Scope of Work

**Item 1:**

Part A – Supply and Delivery of Two (2) New 2500 Hi-Rail Track Inspection Trucks

*Upfitting – Vehicle to be wired for two-way radio with inside/outside, speaker – Radio to be wired directly to battery power, Antenna will be fender mount*

Part B – Supply and Delivery of One (1) New 5500 Hi-Rail Section Truck

*Service Body/Chassis – Install two way radio wiring (coax, power and ground directly to battery) with new tuned antenna and inside/outside speaker which is switched on and off from in cab.*

Part C – Supply and Delivery of One (1) New 5500 Cab & Chassis Section Truck with Service Body Refurbishment

*Remove and reinstall two way radio wired directly to battery with new roof mounted tuned antenna and outside speaker which is switched on and off from in cab.*

Part D – Supply and Delivery of One (1) New 2500 Hi-Rail Signals Truck

*Upfitting – Vehicle to be wired for two-way radio with inside/outside, speaker – Radio to be wired directly to battery power, Antenna will be fender mount*

Please confirm if ONTC will supply the radio, antenna speakers, and wiring, with only labor needed for installation. Alternatively, does ONTC expect the installer to provide any of these items? If the installer is responsible, please specify the required models for the antenna and speakers.

**Answer:** ONTC will supply the radios only. ONTC will require the supplier to provide antenna, speakers and wiring. Supplier to provide options on model of antenna/speaker.

**Item 2:** Part D – Supply and Delivery of One (1) New 2500 Hi-Rail Signals Truck

*Upfitting – Provide and install Terra trip*

Please confirm the specific model of Terra trip required by ONTC for the installation.

**Answer:** ONTC will accept Terra Trip 303 Plus V4 or equivalent. Please see link below – <https://terratrip.com/products/terratrip-303-plus-v4-group>

**Item 3:** Part D – Supply and Delivery of One (1) New 2500 Hi-Rail Signals Truck

Please note that ONTC has now updated the scope of work to include one new additional 2500 Hi-Rail Signal Vehicle. Please see the updated Part D below -

Part D – Supply and Delivery of **Two (2)** New 2500 Hi-Rail Signals Vehicles

*Please note that all specifications will remain the same.*

Please replace the Part D - Supply and Delivery of **One (1)** New 2500 Hi-Rail Signals Vehicles with Part D - Supply and Delivery of **Two (2)** New 2500 Hi-Rail Signals Vehicles in the RFP Proposal.

This Addendum hereby forms part of the RFP.

All other terms and conditions of the RFP remain the same and are unchanged.
