Addendum No. 03

File Reference Number: RFQ 2025 007

Title: Purchase of New Locomotive Sand Trailer

RE: Clarifications/Questions

Please refer to the following information/clarification:

Item 1: Part 3 – RFQ Specifications – Schedule 3-A – Scope of Work – Specification

- a) Sand Delivery Arms for filling the Locomotives: Minimum 3" diameter arm with 50 ft. long hose.

Please provide more details regarding the design of this item.

Answer: ONTC does not have any additional details on the sand filling hose. It must function in temperatures as low as -40 degrees C.

- b) Sand filter system to collect or reduce dust when filling tank.

Please confirm the allowable overall height for the system.

Answer: ONTC does not have a maximum height requirement. Trailer must meet all Transport Canada requirements and be road worthy in Ontario. The trailer will be driven on highways in Ontario. It must be safe to drive under bridges and overpasses.

Item 2: Please confirm if ONTC will accept online training.

Answer: Yes. Online training using Microsoft Teams is acceptable.

Item 3: Will ONTC extend the submission deadline for RFQ 2025 007 – Purchase of New Locomotive Sand Trailer by one week?

Answer: Yes. The new submission deadline is now Wednesday, April 30, 2025. However, the delivery date for the Locomotive Sand Trailer will remain the same.
