**Addendum No. 03**

**File Reference Number: RFQ 2025 024**

**Title: Purchase of Crossing Timbers**

**RE: Clarifications/Questions**

---

Please refer to the following information/clarification:

**Item 1:** Part 3 specifications states "The successful respondent shall provide a summary of experience and a minimum of three (3) project profiles that demonstrate experience in the supply and delivery of similar or equivalent product to other railway organizations".

Are the 'project profiles' to be a separate attachment to the Quotation Form 4 that has been given to us all to fill out? If it is, what is the format in which this is to be completed in that differs from the form?

**Answer:** ONTC advises that it will be relying on the references provided in Quotation Form 4 - References, in order to evaluate experience and qualifications. Respondents are welcome to attach any additional information as it relates to these references/projects.

This Addendum hereby forms part of the RFQ.
