**ONTC has established the date for Completion of the Work with consideration for strict project timelines. As such, and subject to ONTC's sole discretion, a failure to confirm that the work will be completed by the identified date may result in disqualification of the Proposal.**

**PROPOSED APPROACH**

The Respondent shall provide a written narrative plan on their proposed approach for the project, demonstrating their ability to complete the project on budget and on schedule within the timelines identified. The respondent should build in any anticipated delays, supply chain timelines and other factors to provide sufficient time in the schedule to meet provided timelines and mitigate potential delays. Respondents are required to identify the critical path in their Schedule and describe it in their proposed approach.

Describe how you will provide an uninterrupted supply of the required goods and/or services to avoid any adverse impact on the project schedule. Respondents must identify any anticipated product delays

Evidence of a thorough review of the RFP Documents should be apparent in the Respondent's Schedule and Proposed Approach.
