Addendum No. 01

File Reference Number: RFP 2025 094

Title: Supply, Delivery and Maintenance of In-Station Vending Machines

RE: Clarifications/Questions

QUESTIONS / CLARIFICATIONS:

Item 1: Would ONTC kindly provide any sales volume or traffic information for each location of the current beverage and snack placements at the following locations?

- Cochrane Station
- North Bay Station
- North Bay Motor Coach Lunchroom
- North Bay Head Office Lunchroom

Answer: ONTC advises that no sales volume exists, however, it can provide the following information in terms of traffic:

- Cochrane Station: Approximately 100-150 customers passing through on a daily basis, and up to 350 customers daily at peak times;
- North Bay Station: Approximately 400 customers passing through on a daily basis, and up to 450 customers daily at peak times;
- North Bay Motor Coach Lunchroom: Approximately 40 staff work out of this location on a daily basis;
- North Bay Head Office Lunchroom: Approximately 150 staff work out of this location on a daily basis.

ONTC also advises that a new passenger rail service (Northlander Passenger Train) is being introduced in 2026 therefore, the Cochrane and North Bay Station volumes will likely grow.

Item 2: Would ONTC consider extending the submission deadline / closing date of this RFP?

Answer: Yes, ONTC is agreeable to extending the submission deadline / closing date of this RFP to **Friday, January 23, 2026 at 2:00:00PM EST**. See revised Timelines below:
