Addendum No. 03

File Reference Number: RFP 2025 088

Title: Purchase of Nine (9) New Highway Motor Coaches

RE: Clarifications/Questions

QUESTIONS / CLARIFICATIONS:

Item 1: Would ONTC please confirm how many hours is expected for Operator Training?

Answer: ONTC confirms that it will require eight (8) hours of Operator Training at ONTC's North Bay Motor Coach Facility.

Item 2: Would ONTC please confirm how many hours is expected for Mechanic Training for Thirteen? And which topics are expected?

Answer: ONTC confirms that a total of forty (40) hours of Mechanic Training is expected at ONTC's North Bay Motor Coach Facility. Topics of Mechanic Coach Training shall include the following:

- HVAC System Training;
- Multiplex Training; and
- Engine Training.

Item 3: Would ONTC please confirm whether the following components are to be installed in each of the two (2) ITS storage components? (the first two parcel-door compartments on the left side):

- Four (4) 15 A resettable circuit breakers on 12 V DC
- Four (4) 15 A resettable circuit breakers on 12 V Ignition
- Four (4) 15 A resettable circuit breakers on 24 V DC
- Four (4) 15 A resettable circuit breakers on 24 V Ignition
- Chassis Ground Post

Answer: ONTC confirms that the above-referenced components are to be installed in the first two (2) ITS storage compartments.

Item 4: Would ONTC please provide additional information regarding the designed SAJ1708/J1939 Connector? Including the signals involved, the specific network configuration, and the connector type?

Answer: ONTC advises that it requires the standard J1939 Connector.

This Addendum hereby forms part of the RFP.
