Addendum No. 02

File Reference Number: RFQ 2026 040

Title: Supply and Delivery of One (1) New Wheel Loader

RE: Clarifications/Questions

QUESTIONS/CLARIFICATIONS:

Item 1: Would ONTC advise whether it would accept Front Automatic Lock and Rear Open Differential?

Answer: No, ONTC advises that the unit must be equipped with Automatic Differential Locks for the front and rear axle.

Item 2: Would ONTC clarify whether the two maintenance free batteries requiring a minimum of 1400 CCA, is per battery or if this is combined.

Answer: ONTC advises that the two maintenance free batteries each require a minimum of 1400 CCA.

Item 3: Would ONTC advise how many warranty hours are anticipated yearly?

Answer: ONTC advises that it averages approximately 1,500 warranty hours per year.

This Addendum hereby forms part of the RFQ.
