QUESTIONS/CLARIFICATIONS:

Item 1: Drawing No. 20-270-220003 appears to be missing in Appendix E - Schedule of Prices. Would ONTC confirm whether Proponents are required to provide pricing for this item?

Answer: Yes, ONTC requires that Proponents provide pricing for Drawing No. 20-270-220003. Please see attached revised Appendix E - Schedule of Prices (Addendum No. 03).

Item 2: Would ONTC provide Drawing No. 20-280-100321?

Answer: Yes. ONTC has added Drawing No. 20-280-100321 to the SharePoint link that has been shared with Proponents that have executed a Non-Disclosure Agreement (NDA).

Item 3: We recommend plastic peelcoat on each side of the HPL sheets to protect the surfaces during manufacturing and installation. Would ONTC add this requirement to the RFP?

Answer: No. ONTC advises that the RFP will not be revised to require plastic peelcoat on HPL sheets. Proponents are responsible for proposing and implementing appropriate measures to protect HPL panels during manufacturing, transportation, storage, and installation. Proponents should prepare their Schedule of Prices in accordance with the requirements set out therein.

Item 5: Would ONTC advise if there will be any escalation allowed for this RFP?

Answer: ONTC advises that no price escalation mechanism has been included in this RFP. Proponents are to submit pricing in accordance with Appendix E - Schedule of Prices and the requirements of the RFP. Any future adjustment to contract pricing would be subject to the terms of the final agreement and ONTC's prior written approval.
